Company Profile

ABOUT US

DBN Mettle SA, is a new 100% black female-owned company in the steel industry. Our journey thus far has been forged with unwavering passion, experience, and expertise and we are thrilled to be your newest source for top-quality steel and steel-related consumables.

Though we may be a recent addition to the market, our team boasts over 45 years of collective experience, making us seasoned professionals in the field. We take immense pride in supplying only the finest quality steel, ensuring that every product we offer meets the highest industry standards. At DBN Mettle SA, we cater to both fabricators in the steel industry and ambitious DIYers. Our walk-in trade service provides a seamless experience, offering the convenience and accessibility you deserve. Whether you're working on an industrial project or a personal undertaking, we have the ideal solutions to meet your needs.

Our success rests on the pillars of unyielding integrity and exceptional customer service. We believe that every interaction with our clients is an opportunity to exceed expectations. Our ability to truly understand our customers' requirements allows us to offer personalized recommendations, ensuring you get the most suitable products for your projects.

Dedicated to customer satisfaction, we go above and beyond to provide a service that goes unmatched. With DBN Mettle SA, you can trust that your needs are our top priority. As we embark on this exciting journey, we invite you to join us in building a partnership based on trust, reliability, and mutual success. Choose DBN Mettle SA as your preferred steel supplier, and let us surpass your expectations, every step of the way. Together, we'll forge greatness in the steel industry!

Our Mission

To be a leading and trusted supplier of top-quality steel and steel-related consumables, driven by passion, expertise, and unwavering integrity, while exceeding customer expectations and making a positive impact in the industry as a 100% black female-owned company.
